

COMPLETE PAYROLL

Welcome to Payroll Country.

The Way We Work Has Changed

Enable Your HR to Adapt with isolved

Today's workforce wants an employee experience that more closely resembles the Jetsons than the Flintstones. Employees no longer need to physically be in a single location to execute work-related tasks—creating a challenge (and opportunity) for your HR team.

Move from punching the clock to the cloud

The isolved Adaptive Employee Experience (AEE) makes critical HR functions simple for both employees and employers. With AEE, your team can accomplish HR tasks anywhere at any time, from any device – safely and securely.

The Benefits for HR Teams

- Streamline and automate administrative requests
- Empower employees with self-service accessibility
- Boost communication and productivity
- Create a better employee experience
- Ensure compliance and security

The Benefits for Employees

- Simplify the onboarding process
- Update personal information, including direct deposit accounts
- Manage daily activities, such as time punching and leave requests
- Experience a smoother benefits election process
- Enjoy better work/life balance
