# :solved™

# A better employee experience, by design.

Providing application and data access anywhere on any device is more important now than ever before. Whether working from home, in the office or on the go, employee experience impacts your customer experience and business success.
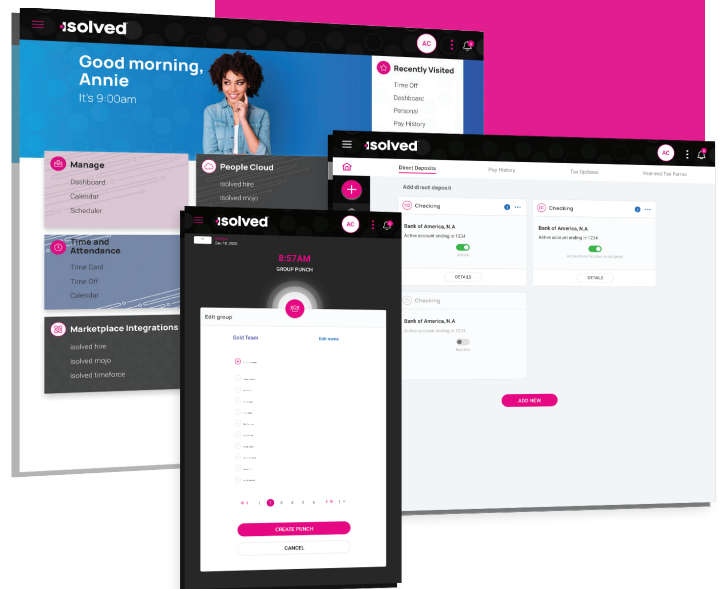

Welcome to the isolved People Cloud personalized user experience, a consumer-grade app that exceeds employees' usability expectations and makes it a breeze to access important information. This modern experience is user-friendly, intuitive, and fully responsive across all devices.

Employees and managers get instant access to the tools they need, from HR to payroll, talent and performance to time tracking. It's all **built into one seamless technology**. The modern user interface empowers your employees to control their information from anywhere, on any device.

Deliver a streamlined experience for your workforce with a personalized and modern user experience. Whether you're on iOS, Android or desktop, you'll find a consistent and engaging interface that responds to your needs in the office, at home, and on the go. Futureproof your business with a comprehensive, employee-focused platform.
